Absentee Shawnee Tribe of Oklahoma Domestic Violence Program

Mission Statement
The Absentee Shawnee Tribe of Oklahoma's Domestic Violence mission is to eliminate violence in Native Country and to strengthen Native families to end the cycle of violence. Absentee Shawnee Tribe Domestic Violence program serves Native American families and Non-Native families by providing advocacy in the areas of Domestic Violence, Sexual Assault, Stalking, and Dating Violence.

The Domestic Violence Department provides services to:

Victims of Domestic Violence, Sexual Assault (on call 24 hours per day), Stalking, and/or Dating Violence. We serve Native and non-Native victims as well as their children, as these problems affect everyone in our community. When a victim flees the situation they often leave behind all of their belongings, that's where we step in, offering a hand up to the victim. We offer advocacy for the victim, through the process of court, counseling, housing and utility assistance, referrals as needed (for services ASTDV does not provide), shelter, and transitional housing. We have four transitional houses fully furnished, where victims will be provided the opportunity to get an education and obtain job skills. Emergency transportation can be provided as well. For questions regarding necessary paperwork in order to receive assistance please contact the AST Domestic Violence Office.
