Three Chosen To Represent Sac And Fox Nation At NAISEF _____ Congratulations Tomi, Sydney, and Winonah!!!

Tomi Calderon is Dagwood Wakolee's grandson, Sydney Myers is Kay Rhoads' granddaughter and Winonah Hamblin is Ralph Hamblin's granddaughter.

These three students were approved by the national Scientific Review Committee and will be representing the Sac and Fox Nation at the National Science and Engineering Fair in Albuquerque on March 24-26. This year, our SFNSEF students are the only team from Oklahoma participating at the National fair!!! Our SFNSEF students will present their projects and compete with participants from approximately 30 tribes, representing 12 states and a Canadian province.

Because of the Sovereign status of American Indian Tribes and Nations, the winners of NAISEF are automatically entered into the International Science and Engineering Fair (ISEF). This year, ISEF will be held in Los Angeles in May 2011. NAISEF will pay the expenses for

students to go to Los Angeles for ISEF. Please offer your word of encouragement and prayers of support as these students represent the Sac and Fox Nation and the state of Oklahoma at the National American Indian Science & Engineering Fair.

Thank You from the family of Francis R. Deer Sr.

We wish to thank the Sac and Fox Nation for their help at the time of our father's death. We would like to thank our Tribal Business Committee Members who came to the funeral and a special thanks to Marilyn Spoon and Karen Spaid for their help on the Sunday of his passing. And to the Sac and Fox Nation Honor Guard, the many relatives and friends who gave food and other items, we give our heartfelt thanks. My father loved the rodeo and most of all the Pow-Wow, as they say, he loved to "swing and sway the Sac and Fox Way"

Thank you from the Family
