

FEDERAL (DOI) PROGRAMS:

Johnson O'Malley (JOM)

Students who have their own CDIB, regardless of tribe, who go to school in our jurisdiction, are eligible to enroll in JOM. The tribe has to be a federally recognized tribe, however. The students may be in grades pre-K through 12th grade, in a public or tribal school.

Higher Education

This program is for tuition assistance for Sac and Fox tribal members applying for the federal grant. A financial needs analysis must be completed by the financial aid office of the college and show that the student still has a financial need. The amount per semester is \$800.00 for full time students (12 or more hours) or \$400.00 for part-time students. Payments go directly to the college for their tuition.

Adult Vocational Training

Students who attend vocational schools can belong to any federally recognized tribe, have their own CDIB, and live in our jurisdiction. The maximum amount a student may receive is \$600.00 per semester, and must be for a certification.

Johnson O'Malley (JOM)

The Johnson O'Malley Program serves students who attend school in the Sac and Fox jurisdiction. The student can be a member of any federally recognized tribe, but must have their own CDIB. The student must have a completed JOM application on file for each school year, a request for service, and a copy of their CDIB. If a vendor is to be paid, we need a copy of their invoice. We pay the vendor, not the individual, except for the school supplies, and we do not reimburse.

These are the services we offer:

- School supplies checks in the amount of \$30.00 per child per school year
- Fees and books for seniors enrolled in concurrent classes (up to 6 hours)
- Education Plans
